**NOTICE OF COMPLIANCE**

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4461-09 on March 20, 2009 to MTG Operating Company (MTG). The NOV was issued for multiple violations of WYPDES permit conditions which were in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required MTG to pay a total of two thousand eight hundred dollars and no cents (\$2,800.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by MTG and receipt of the penalty payment (received July 6, 2009), MTG has complied with the conditions of the Settlement Agreement for Docket Number 4461-09 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with MTG in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 6<sup>th</sup> day of July, 2009.
