

**SETTLEMENT AGREEMENT**

NOV 04 2009

Kimmer  
11/4/09

The Wyoming Department of Environmental Quality (DEQ), Water Quality Division (WQD), and Goodwater Group (Goodwater) enter into this Settlement Agreement to fully and finally resolve without litigation the violations alleged in **Notice of Violation (NOV) Docket Number 4517-09 dated July 8, 2009 that occurred in Albany County, Wyoming.**

W.S. §35-11-901(a)(ii) authorizes the DEQ to negotiate a stipulated settlement, including payment of a penalty, in lieu of litigation. To that end, Goodwater and the DEQ hereby stipulate and agree as follows:

1. The DEQ, pursuant to W.S. §35-11-104, is a department in the executive branch of the state government of Wyoming and is principally situated in Cheyenne, Wyoming. DEQ is the agency with the responsibility for administering the Wyoming Environmental Quality Act (Act) including all provisions of the Wyoming Water Quality Rules and Regulations (WWQRR).

2. Goodwater has provided the DEQ with documentation demonstrating the steps taken to address the alleged violations covered by this NOV, including the ongoing operational programs designed to prevent violations in the future. Goodwater shall maintain storm water BMPs throughout the life of the project to ensure no sedimentation enters a water of the state. *"BMPs mean schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to prevent or reduce the pollution of waters of the state. BMPs also include treatment requirements, operating procedures, and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw material storage."* Following implementation of the corrective actions, Goodwater shall provide to the WQD an updated Storm Water Pollution Prevention Plan (SWPPP) to verify that permit requirements have been met.

3. Goodwater agrees to pay a penalty of one thousand sixty dollars and no cents (\$1,060.00) as a settlement to resolve the above referenced NOV. Payment to the DEQ is due and payable within thirty (30) days of the full execution of this Settlement Agreement. Payment to DEQ shall be by check made payable to the Wyoming Department of Environmental Quality, Water Quality Division and shall be sent to: Mr. Kevin M. Wells, Compliance & Enforcement Coordinator, Department of Environmental Quality, Water Quality Division, Herschler Building 4<sup>th</sup> Floor-West, 122 West 25<sup>th</sup> Street, Cheyenne, Wyoming 82002. The check should reference NOV Docket Number 4517-09.

4. This signed Settlement Agreement and payment by Goodwater as cited in NOV 4517-09, shall constitute full satisfaction for and resolution of all claims by the DEQ against Goodwater based on the violations alleged in NOV Docket Number 4517-09. Contingent upon Goodwater's full compliance with the terms of this Settlement Agreement, the DEQ will refrain from taking further enforcement action against Goodwater for these particular violations. By this Settlement Agreement, the parties intend to resolve with prejudice all allegations that were asserted in NOV Docket Number 4517-09.

5. Goodwater waives any statute of limitations which may apply to an enforcement action by the DEQ involving the specific matters described in NOV Docket Number 4517-09 in the event that Goodwater fails to fulfill its obligations under this Settlement Agreement.

6. Nothing in this agreement precludes DEQ from taking additional enforcement action; including the issuance of a NOV, Order, and/or pursuing additional penalties, should Goodwater violate the Act, applicable rules and regulations, or WYPDES permit requirements in the future.

7. This Settlement Agreement or any actions taken in accordance with its provisions, does not constitute an admission by Goodwater to any allegations, findings, determinations or conclusions contained in this Agreement, nor is this a retraction by the DEQ of the specific allegations in NOV Docket Number 4517-09. Except as specifically provided for herein, nothing in this Agreement shall prejudice, waive, or impair any right, remedy, or defense that Goodwater may have against any entity.

8. This Settlement Agreement shall be admissible by either party without objection by the other party in any subsequent action between these parties to enforce its terms.

9. Notwithstanding any other language in this Settlement Agreement, the State of Wyoming and DEQ do not waive sovereign immunity by entering into this Settlement Agreement with Goodwater and specifically retain all immunity and all defenses available as sovereigns under state and federal law.

10. Each party shall bear its own attorney fees and costs, if any, incurred through the date this Settlement Agreement is signed by both parties.

11. Goodwater and the DEQ agree to comply with and be bound by the terms of this agreement and further agree they will not contest the basis or validity of this Settlement Agreement in any action taken by DEQ to enforce the terms of this Settlement Agreement. Therefore this Settlement Agreement is binding upon Goodwater, its successors and assigns, and upon the DEQ.

12. The persons signing this Settlement Agreement certify that they are duly authorized to bind their respective parties to this Settlement Agreement. Full execution of this Settlement Agreement shall be determined by the latest date of all parties signing.
