DOCKET NUMBER 4527-09

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) Docket Number 4527-09 to TOG Development (TOG) on August 4, 2009. The NOV was issued for storm water violations associated with the Large Construction General permit applicable under the Wyoming Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement required TOG to pay a total penalty of two thousand one hundred sixty dollars and no cents (\$2,160.00) to the DEQ and comply with the Large Construction General Storm Water permit requirements throughout the life of the project. These requirements have been received, reviewed, and accepted by the DEQ. TOG has achieved the conditions of the Settlement Agreement for Docket Number 4527-09 and the DEQ finds that all terms have been satisfied.

Dated this 29th day of October 2009.
