NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order (NOV) Docket Number 4550-09 to Granite Peak Development, LLC. (Granite Peak) on September 18, 2009. The NOV was issued for storm water violations associated with the Large Construction General permit applicable under the Wyoming Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement required Granite Peak to submit a plan of action to include corrective actions for bank stabilization at the site and implement erosion control practices to minimize the movement of sediment at the site. These requirements have been received, reviewed, and accepted by the DEQ. Granite Peak has achieved the conditions of the Settlement Agreement for Docket Number 4550-09 and the DEQ finds that all terms have been satisfied.
