**NOTICE OF COMPLIANCE**

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4583-09 on November 3, 2009 to Lance Oil and Gas. (Lance). The NOV alleged that Lance had an unauthorized discharge of CBM produced water and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation required Lance to pay a total of one thousand six hundred dollars and no cents (\$1,600.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Lance and receipt of the penalty payment (received March 1, 2010), Lance has complied with the conditions of the Settlement Agreement for Docket Number 4583-09 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Lance in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 1<sup>st</sup> day of March, 2010.
