DOCKET NUMBER 4660-10

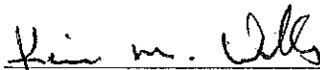

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number **4660-10** on April 16, 2010 to Pennaco Energy, Inc. (Pennaco). The NOV alleged that Pennaco had an unauthorized discharge of CBM produced water and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required Pennaco to pay a total of one thousand two hundred dollars and no cents (\$1,200.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Pennaco and receipt of the penalty payment (received April 30, 2010), Pennaco has complied with the conditions of the Settlement Agreement for Docket Number **4660-10** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Pennaco in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 4 day of May, 2010.
