DOCKET NUMBER 4370-08

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number **4370-08** on October 9, 2008 to Pure Petroleum LLC. (Pure). The NOV alleged that Pure had an unauthorized discharge of CBM produced water and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required Pure to pay a total of three thousand six hundred dollars and no cents (\$3,600.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Pure and receipt of the penalty payment (received May 20, 2010), Pure has complied with the conditions of the Settlement Agreement for Docket Number **4370-08** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Pure in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 21 day of May, 2010.
