Pure Petroleum, LLC

DOCKET NUMBER 4642-10

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number **4642-10** on March 2, 2010 to Pure Petroleum, LLC (Pure). The NOV and Order alleged that Pure had violations of WYPDES permits WY0048194, WY0048151, WY0048186, WY0048208, and WY0048160. Proper and correct identification signage was missing at all the facilities associated with these listed permits and failure to pay the required permit fees. These are violations of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation required Pure to pay a total of two thousand seven hundred dollars and no cents (\$2,700.00) for the late fees and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Pure and receipt of the fee payment, Pure has complied with the conditions of the Settlement Agreement for Docket Number **4642-10** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Pure in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 21 day of July, 2010.
