IN THE MATTER OF THE NOTICE OF
VIOLATION & ORDER ISSUED TO:

Mr. Roland Blauer
Nautilus Exploration, LLC

DOCKET NUMBER 4810-11

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) Docket Number **4810-11** on February 15, 2011 to Nautilus Exploration, LLC (Nautilus). The NOV alleged that Nautilus had failed to submit Discharge Monitoring Reports (DMRs) and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violation required Nautilus to submit the late DMRs and a plan of action to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted Nautilus has complied with the conditions of NOV Docket Number **4810-11** and the DEQ finds that all terms have been satisfied.

It should be noted that failure to submit DMRs on time in the future may result in elevated enforcement to include a penalty for violations of permit conditions.

The DEQ looks forward to working with Nautilus in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 4th day of March, 2011.
