IN THE MATTER OF THE NOTICE OF  
VIOLATION & ORDER ISSUED TO:

Mr. John Zeiger  
Saratoga Wastewater Lagoons  
PO Box 486  
Saratoga, WY 82331-0486

DOCKET NUMBER 4736-10

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number **4736-10** on September 28, 2010 to the Town of Saratoga (Saratoga). The alleged violation included failure to submit required Discharge Monitoring Reports (DMRs) on time, as required by WYPDES Permit WY0021491.

The Order required Saratoga to submit all delinquent reports and provide a written plan of action to the DEQ ensuring all future reports will be completed and submitted within the required period as stated in the WYPDES permit. Based on receipt of the information requested Saratoga has complied with the conditions of the Order for Docket Number **4736-10** and the DEQ finds that all terms have been satisfied.

It should be noted that failure to submit required DMRs on time in the future may result in elevated enforcement to include a penalty for violations of permit requirements.

The DEQ looks forward to working with Saratoga in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 6<sup>th</sup> day of June, 2011.
