DOCKET NUMBER 4520-09

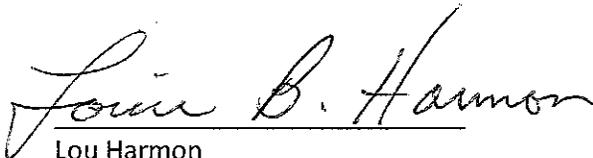

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) Docket Number **4520-09** on July 22, 2009 to Ridge Creek Investment Company (Ridge Creek). The NOV alleged that Ridge Creek constructed a public water supply and a sewerage system without a permit to construct. Ridge Creek therefore was in violation of the Wyoming Environmental Quality Act and applicable Wyoming Water Quality Rules and Regulations.

The Settlement Agreement outlined a total penalty of six thousand dollars (\$6,000.00) to resolve the NOV and to obtain the appropriate permit to construct in order to connect the public water supply and sewerage system to North Star Utility. DEQ/WQD received a certificate of completion for the permit to construct 10-294R on October 26, 2011.

Ridge Creek has complied with the conditions of the Settlement Agreement and the DEQ finds that all terms have been satisfied. DEQ looks forward to working with the Ridge Creek in a proactive manner and is available to discuss future permit to construct issues.

Dated this 15 day of November, 2011.
