DOCKET NUMBER 4934-11

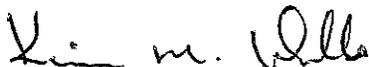

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number **4934-11** on December 21, 2011 to Williams Field Services Company, LLC (Williams). The NOV alleged Williams had multiple effluent exceedances of hydrostatic test water authorized to discharge under WYPDES permit WYG670311. The effluent exceedances were in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Notice of Violations required Williams to pay a total of four thousand eight hundred dollars and no cents (\$4,800.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Williams and receipt of the penalty payment Williams has complied with the conditions of the Settlement Agreement for Docket Number **4934-11** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Williams in a proactive manner and is available for future meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 10th day of April, 2012.
