NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) **5009-12** on June 25, 2012 to Double Eagle Petroleum Company (Double Eagle). The NOV was issued for violations of permit conditions under the Large Construction General permit authorization WYR103487 and unauthorized discharges associated with well pad facilities.

The Notice of Violation required Double Eagle to pay a total amount of five thousand six hundred dollars and no cents (\$5,600.00) as a penalty to resolve the NOV.
