**IN THE MATTER OF THE NOTICE OF
VIOLATION & ORDER ISSUED TO:**

**Doris Bunn-Manfull, Owner
Sunny Meadows Village

DOCKET NUMBER 4677-10

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number **4677-10** on June 14, 2010 to Doris Bunn-Manfull (Doris) the owner of Sunny Meadows Village. The NOV and Order alleged that Doris operated a public water supply without adequate backflow prevention devices. This is a violation of Wyoming Water quality Rules and Regulation (WWQRR), Chapter 12, Section 14 (i)(i).

The Order required Doris Bunn-Manfull have a Wyoming licensed engineer prepare and submit an application to construct a backflow device that complies with WWQRR, Chapter 12, Section 14 (i)(i), install the backflow device, and send the WQD the certificate of completion after the installation. By installing a backflow device that complies with WWQRR, Chapter 12, Section 14 (i)(i) and the WQD receiving the certificate of completion, Doris has complied with the conditions of the Notice of Violation and Order Docket Number **4677-10** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Doris Bunn-Manfull in a proactive manner and is available to discuss future permitting and/or construction issues.

Dated this 26th day of February, 2013.
