DOCKET NUMBER 5010-12

NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number 5010-12 on June 25, 2012 to the Cheyenne Sanitary Landfill (City of Cheyenne). The NOV was issued for failing to abide by WYRPDES Authorization WYR001160 as required by the WYRPDES Storm Water Permit.

The Order required City of Cheyenne to submit a comprehensive plan of action to identify the causes and correct the deficiencies and include any corrective actions taken to bring the facility into compliance, including submitting a new NOI and receiving a new permit. Based on receipt of the information received, City of Cheyenne has complied with the conditions of the Order for Docket Number 5010-12 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with City of Cheyenne in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYRPDES permit requirements.

Dated this 6th day of June, 2013.
