NOTICE OF COMPLIANCE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation and Order Docket Number 5044-12 on August 8, 2012 to MC Family of Companies (MC Family). The NOV was issued for failing to operate under authorization of a WYPDES Storm Water Permit.

The Order required MC Family to submit a comprehensive plan of action to identify the causes and correct the deficiencies and include any corrective actions taken to bring the facility into compliance, including submitting a new NOI and receiving a new permit. Based on receipt of the information received, MC Family has complied with the conditions of the Order for Docket Number 5044-12 and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with MC Family in a proactive manner and is available for future quarterly or semi-annual meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.
