**NOTICE OF COMPLIANCE**

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number **5478-14** on October 27, 2015 to City of Casper (Casper). The NOV alleged that Casper had an unpermitted discharge from a containment pond, located at the Hogadon Ski Area, without authorization and was in violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement for Notice of Violation #**5478-14** required Casper to pay a total of eight thousand eight hundred dollars and no cents (\$8,800.00) and submit in writing actions to be taken to achieve compliance with permit requirements to the DEQ. Based on reviewed information submitted by Casper and receipt of the penalty payment Casper has complied with the conditions of the Settlement Agreement for Docket Number **5478-14** and the DEQ finds that all terms have been satisfied.

The DEQ looks forward to working with Casper in a proactive manner and is available for future meetings to discuss compliance issues or concerns regarding WYPDES permit requirements.

Dated this 11<sup>th</sup> day of August, 2015.
