

**UNDERGROUND INJECTION CONTROL  
INJECTION WELL  
NOTIFICATION OF CONSTRUCTION COMPLETION**

Operator Name: \_\_\_\_\_ Permit Number: \_\_\_\_\_

Facility Name: \_\_\_\_\_ Facility No. WYS - \_\_\_\_\_

Well (field) ID: \_\_\_\_\_

In accordance with the Wyoming Department of Environmental Quality/Water Quality Division, Chapter 27, Section 6(h) (iii)(U), the permittee must submit notice of completion of construction (of individual injection well(s) or facility) to the administrator and allow for inspection of the facility upon completion of construction, prior to commencing any injection activity.

I hereby certify:

1. Construction of the permitted facility was completed on \_\_\_\_\_ (DATE)  
and the facility will be placed in operation on \_\_\_\_\_ (DATE)
  
2. The facility was constructed in substantial compliance with all the terms and conditions of the permit including the report, plans and specifications, design data or other information submitted in support of the application. (If a Wyoming licensed professional engineer was used to develop the design, please have them complete the form below as appropriate.)
